COMMERCIAL BANK TO ERECT LARGE BLOCK

Structure Will Stand on Grant Avenue
Near Twenty-fifth Street and
Will Cost \$75,000.

Ogden, Dec. 6.—The officers of the Commercial National bank have begun the erection of a modern business block on Grant avenue, near Twenty-fifth street, which will be the equal of any of the newer buildings in the city. The structure will cost in the neighborhood of \$75,000. It is a four-story building, height, the site is immediately north of the St. Louis building on Twenty-fifth street. President A. R. Heywood states that the structure will be plain in style and substantial and suited for any commercial purpose. Mr. Heywood says that Ogden is a good location for investments of this nature.

SEEKS HEAVY DAMAGES FOR LOSS OF LIMB

Ogden, Dec. 6.—To recover \$10,000 damages for the loss of his right leg, George P. West has started action in the district court against the Denver & Rio Grande Railroad company. The complaint alleges that on Jan. 21, 1907, plaintiff was employed in the capacity of car cleaner, it being his duty to sweep and dust passenger coaches at the Ogden Union station. While engaged in this work, it became necessary to climb on a ladder to turn on the gas light. The ladder being defective, plaintiff was thrown to the floor, severely injuring and bruising his right leg and ankle. As a result of the accident, blood poison set in and the leg was later amputated. West values his leg at \$10,000 and asks judgment accordingly.

COMMISSIONERS HOLD BUSY SESSION

Ogden, Dec. 6.—At the regular session of the county board of commissioners, J. N. Kimball presented a petition, signed by 35 citizens of Huntington, asking that a liquor license be granted to Hoken Olsen. The petition was again taken under advisement. Olsen has been denied a license recently for the past few years and in spite of this fact has continued to carry on the traffic, having been arrested at least 12 times in as many months.

The deputy road commissioner was authorized to commence work on rebuilding the bridge across Dix creek at Plain City, the bridge to be 14 feet wide and to be constructed with concrete buttment.

A petition from the residents of Taylor ward, asking that a road be opened up for one mile east from the new meetinghouse, was read and granted. The Taylor people offered to donate the land to the grading and build the fences, providing the county would purchase the material for the fence. The board unanimously granted the request, and the material, costing about \$200, will be purchased at once.

The board of Joseph S. Storey, the new road commissioner, for \$3,000; the board of John A. Child, superintendent of the county infirmary, for \$5,000; and that of E. E. Harrison, sheriff-elect, for \$10,000, were approved and filed.

Dr. Wade was appointed special health officer at Pleasant View during the present epidemic of scarlet fever. Every precaution will be taken by the county authorities to check this disease.

Twenty registrars of vital statistics, one from each district, were re-appointed to serve for the next two years.

DIVORCE DECREE.

Ogden, Dec. 6.—Ina Fritz has been granted an interlocutory decree of divorce in the district court from Otto H. Fritz on the grounds of desertion. The couple were married at Clark, South Dakota, in July, 1908. Mrs. Fritz was awarded the custody of a minor child, and the Weber institution her maiden name, Ina Thompson.

INSTRUCTIVE ADDRESS.

Ogden, Dec. 6.—Judge George A. Alden of Boston, delivering powerful address at the Weber academy auditorium on Monday evening on "The Needs of the Hour." Mr. Alden is an eloquent speaker and his talk was a straight forward, convincing discussion of many vital and interesting problems now confronting the American people. A pleasing feature of the lecture was the splendid music rendered by the academy band preceding the address. Mr. Alden appeared under the auspices of the lecture committee of the Weber institution and helped to maintain the ever high standard of that course.

ORPHEUM ATTRACTIONS.

Ogden, Dec. 6.—Headed by Harry Horne and Company in a play, "Uncle Lem's Dilemma," dealing with the matrimonial tangle of a prosperous York state farmer, the vaudeville bill being presented at the Orpheum theater this week ranks with the best seen here this season.

POLICE COURT RECORD.

Ogden, Dec. 6.—Judge Murphy's court was unusually busy on Monday, there being 20 offenders on the bench. Four pitiful characters admitted having been drunk on Sunday and as they would not tell where the liquor was purchased, they will serve the next five days in jail.

Of the 13 vagrants gathered in by the police drag net on Saturday night at the various gambling resorts, seven were dismissed, four were sent to work on the city rock pile for 10 days and the other two, mere boys, 18 and 19 years of age, were held for further

they were drinking in a saloon. The officers state that if it can be proven that liquor was sold to these boys, a certain saloon man will lose his license and be made to pay a heavy fine.

J. C. Balton, charged with vagrancy, was given a suspended sentence of 90 days, the officers stating that Balton had been picked up as a suspect in connection with a robbery in Wyoming.

Two offenders had forgotten to tie up their teams and were fined \$5 each.

Winnie Gibson, a denizen of the underworld, forfeited the usual \$10 fine.

SUIT ON HORSE DEAL.

Ogden, Dec. 6.—To collect \$200 alleged to be due as defendant's pro rata on the purchase of a stallion, "Thistle Chief," which was purchased by defendant and 16 others, F. H. Neill, doing business as F. H. Neill & Bros., has started action in the district court against A. A. Church. The complaint alleges that on May 6, 1910, the horse was sold to defendant and his partners and that Church has failed to pay his portion.

ARCHITECTS SUE.

Ogden, Dec. 6.—J. A. Smith and L. S. Hodgson, architects, have started suit in the district court against the Orpheum Amusement company, William Scowcroft and J. H. Garrett, to recover the sum of \$500.30 alleged to be due for certain specified services performed between April 1 and Dec. 31, 1909. The complaint sets forth the statement that various plans, specifications and blue prints were prepared for the remodeling of the old Grand opera house into the present Orpheum theater and that this work was worth \$1,250. On July 19, 1909, a payment of \$400 was made and later a credit of \$80 was allowed, leaving the balance as specified.

DEATH OF INFANT.

Ogden, Dec. 6.—Oreline, the 20-months old daughter of Mr. and Mrs. Lawrence A. Van Dyke, died late Sunday evening at the family residence, 2948 Farr avenue, after a brief illness from pneumonia. Mr. Van Dyke is a deputy in the county clerk's office and his numerous friends extend their deepest sympathy in this hour of sorrow. The funeral will be held at the Fourth ward chapel this afternoon at 2 o'clock.

POSTPONE SUGAR MEETING.

Ogden, Dec. 6.—A meeting of stockholders of the Amalgamated Sugar company, recently called, has been postponed to Jan. 6. Secretary Rolapp of the company states that an effort is being made to retire the common stock of the company.

HEAVY LOAN EFFECTED.

Ogden, Dec. 6.—A loan of \$50,000 was consummated today by the D. H. Peery estate from the Equitable Life Insurance company of New York. This money is to be used in a building on the newly opened Hudson avenue, where the Peery estate holds 250 feet frontage. It is said that this is the first time the Equitable ever loaned a large sum of money in a city of less than 50,000 inhabitants.

MARRIAGE LICENSES.

Ogden, Dec. 6.—County Clerk S. G. Dye has issued marriage licenses to the following couples:

James J. Cude and Virtue Berrett, both of North Ogden; William Bontrout and Mary Edith Williams, both of Ogden.

PAINFULLY INJURED IN RUNAWAY ACCIDENT

(Special Correspondence.)
Centerville, Dec. 6.—Mr. and Mrs. Samuel J. Parrish, who reside here, were driving in Bountiful today when one of the horses became unmanageable and a runaway ensued. Parrish jumped from the vehicle and alighted heavily, sustaining painful injuries to her back and limbs. She is quite ill this evening as a result of her injuries, and some alarm is felt by her relatives.

EMPHATIC ACTION ON LIQUOR TRAFFIC

County Commissioners Pass Ordinance Aimed to Prevent Illicit Selling.

(Special Correspondence.)
Provo, Dec. 6.—At the meeting of the county commissioners yesterday an ordinance was passed that is expected to prevent the sale of intoxicants in pool and billiard halls in the county (outside of cities and towns), which has been more or less prevalent in different places the past year, since prohibition ordinances went into effect in the cities. The ordinance provides a license of \$50 a year for pool or billiard halls and bowling alleys, and makes it unlawful to sell or dispose of drinks of any kind in such places, except in minor cases to keep the places open between the hours of 9 p.m. and 7 a.m. Violation of the ordinance is punishable by a fine of \$100 or three months' imprisonment, or both.

County Treasurer Johnson reported on county funds, showing the following balance on hand Dec. 1: General fund, \$29,417.29; county school fund, \$34,423.89; county superintendent's contingent, \$252.64; jurors and witnesses, 60c.

The county officers reported for November. Recorder, \$35.45; clerk, \$241.65; treasurer, \$22.50.

Supt. of Schools George N. Childs resigned by reason of an accepted appointment as supervisor in the Salt Lake City schools. The resignation was accepted, to take effect Dec. 10. The schools adjourn for the holiday vacation. The board will hold a special session Wednesday to appoint a successor to Mr. Childs.

Chairman W. H. Ray and members of the Provo-Ogden boulevard committee, and P. N. Nunn, appeared before the board and called attention to the fact that the road is being damaged by reason of heavy loads being hauled over it in narrow relay wagons. This is especially true now while the employees of the Kennedy Construction company are hauling heavy loads of gravel over the road for the cement construction on the city's waterworks extension. The matter of stopping this travel, through conference with the local manager of the Kennedy construction company, was referred to Chairman C. H. Ward of the board, and Chairman W. H. Ray and Dr. P. W. Taylor of the boulevard committee, who will lay the matter before Secretary John O'Connor of the Kennedy Construction company, who is in charge of the work here.

The matter of drafting an ordinance to prohibit heavily loaded vehicles from driving over the boulevard except when pulled by a team of horses, was referred to a committee, consisting of County Attorney Jacob Evans and P. N. Nunn and their report will be considered by the board at its special meeting tomorrow.

The boulevard committee also represented that it would require about \$5,000 to complete the road and pay a \$1,200 overdraft and asked for an appropriation of that amount. The board, instead of complying with this request, agreed to pay an amount equal to what the committee had collected, and the committee from individual subscribers for the completion of the road.

HEAVY PAVEMENT CONTRACT AWARDED

Provo, Dec. 6.—City Engineer E. A. Jacob presented estimate of cost of sidewalk paving in Third West street, \$2,023.33, at the meeting of the city council last evening and recommended the conditional acceptance of the work. The engineer's report was adopted and an ordinance was passed levying a tax on the abutting property to defray the expenses of the pavement. The total tax is \$1,255.04 or 35.6 cents per linear foot, the city's portion being the difference between the two amounts.

The board of equalization for sewer district No. 11 presented corrected assessment and recommended that it be confirmed. Report adopted.

The committee on irrigation reporting on the complaint of J. A. Bean that his land was being overwatered and damaged by water from the factory race, recommended that Hoover Bros. be requested to repair the banks of the factory race. Adopted.

Water taxes to the amount of \$42.95 were remitted on recommendation of the committee on irrigation.

The committee on judiciary reported progress in the drafting of the proposed search and seizure (liquor) ordinance.

Chairman Beebe of the committee on waterworks reported that Henry Smith now asked \$87.50 additional to the amount agreed upon for the waterworks pipe line right of way over his land. Referring to the committee on waterworks and the engineer.

The garbage ordinance was amended so as to require a covered brick or metallic receptacle for garbage in district No. 1, to be kept by owners and occupants of buildings, and the garbage removed at least once a week.

A bill was presented to amend the pool hall ordinance so as to make it unlawful for any person, corporation, club, association or society to conduct pool or billiard rooms and bowling alleys, where a charge is made, directly or indirectly, for playing, without paying a license, which is \$40 a year under the present ordinance. The proposed ordinance is intended to reach clubs, alleged to have been organized for the purpose of evading the payment of license. As it was thought the regular license would be too high to charge clubs, and as further information was wanted, the matter was referred back to the committee.

The committee on streets and alleys was instructed to confer with property owners on Fifth West street, between Fifth and Seventh North streets, with a view to having the street opened.

TO ADVERTISE PROVO.

Provo, Dec. 6.—A number of prominent business men met last evening in the Commercial club rooms to consider a proposition to take space in the Western Land Products exhibit in Omaha, Jan. 18 to 28, and for otherwise advertising its resources and attractions in the east. The matter was taken under advisement. A committee will probably be appointed to interest the citizens in the project.

HANSEN-DRAPER WEDDING.

Provo, Dec. 6.—A marriage license has been issued to Don D. Hansen of Provo, and Carrie Draper, of Provo, Pocatello.

ELKS' MEMORIAL.

Provo, Dec. 5.—The opera house was packed last evening on the occasion of the Elks' memorial services. Many people remained standing during the entire service rather than miss any of the impressive ritual, the beautiful music and the inspiring memorial address, delivered by Rev. Elmer I. Goshen.

Mr. Goshen's text was "The Eternal God is thy refuge, and underneath are everlasting arms." He delivered an earnest, eloquent address in which the beauty and grandeur of life and the progress of the race, under God's providence and everlasting love, were portrayed and the evidence of future, perfect life depicted.

Prof. A. C. Lund and a large corps of assistants rendered a delightful musical program, and the solemn ritual of the order in memory of their dead was rendered in a very effective manner.

SUGAR FACTORY CLOSES CAMPAIGN

Forty-four Thousand Tons of Beets Chopped, Yielding Heavy Acreage of Sugar.

(Special Correspondence.)
Logan, Dec. 5.—The Logan Sugar factory closed its campaign for this year yesterday afternoon, and the cleaning up of the season's run has been completed. During the run the factory cut up approximately 44,000 tons of beets, and the yield of sugar was far above the average. At the Lexington factory, which is also closed, there was cut up about 46,000 tons of beets, or about 50,000 tons in all. The shortage of the factories was due to a falling off in the yield, rather than to a decrease in the acreage planted. This fact is emphasized by the experience of the Japanese colony at Lewistown, who lost approximately \$18,000 this season—that is, after they had paid the rent for the land they tilled and their bare expenses for food and clothing they were left behind. Owing to drought, the yield dropped as low as four tons to the acre in some parts of that district, while in other years the average had been above 12 tons per acre.

ALUMNI ASSOCIATION WILL GIVE BANQUET

Logan, Dec. 5.—The Alumni association of the Brigham Young college will meet in this city next Saturday evening. Heretofore it has been a custom for the association to meet at the close of the school year, elect its officers and have the annual banquet, and the result has been that much of the real interest in the business of the association has been neglected in the rush. So it has been decided to hold a business meeting and social in December of each year and the annual banquet in the spring. A feature of the gathering on Saturday will be a basketball game between a team composed of the alumni players and the first team of the college. Roskelley, Wanggaard, Jensen, Christensen, Wilcox and other stars of past teams will play with the alumni and the game is already attracting a lot of attention. This contest will start the proceedings on Saturday, and at its close there will be a business meeting at which the new officers of the association will be elected. After that there will be refreshments served, and dancing.

The editing staff of the association has been busy for some time preparing a directory of the alumni of the college, and it is announced that the publication is now practically ready for distribution. It will contain the names and addresses of all the graduates of the college since the early eighties.

A Personal Word from Mr. Daynes About the Consolidated Music Co. Player-Piano Club

I have been asked by the stockholders in our company to make a personal statement concerning the 100 Whitney Player-Pianos we bought for our club. Were the deal not such an important one, I should not presume to tax the reader's patience with any opinions of mine, and especially in the matter that affects our own interests.

In this case, however, I know so well that you who join this club get such good "value received," that I willingly assume the risk.

In this player-piano you get all you bargain for and a good deal more. You save money—big money—to be specific, \$153—in becoming a member of this club. The player-piano itself is right. It's a good, honest instrument. The person who buys one as good for \$550 gets the worth of his money. It matters not from whom he buys it. I know this from more than my own experience. I paid a personal visit of inspection to the factory of the large company which makes the Whitney Player-Piano. I went all through this immense establishment, and noted particularly that the very choicest of material throughout it used in their manufacture. I saw that some of the most skilled workmen in this country are employed in making these great instruments, and that they are made right.

I also know a number of dealers who handle these player-pianos, and they tell me that they sell large numbers of them; that they measure up to every claim made for them, and that those who buy and use them are more than satisfied with them.

I consider this an important deal—the largest sale of musical instruments we have ever conducted at our large store. And, having the largest music house in Utah, that I regard as being a good deal to be able to say.

This sale will save many thousands of dollars to the 100 members of the club—money they can use to good advantage for other purposes.

As the purchase of these 100 player-pianos is intended to stand as an enduring advertisement of our house, I can assure you that the instruments (most of them) are new, represents the extreme limit of value for the price and the liberal conditions under which it is offered.

The club price is \$357, on terms of \$9 down and \$9 a month.

Very Sincerely Yours,

Royal W. Daynes.
